HISTORY

Founded in 2003, Capital Manufacturing is a highly renowned metal products manufacturer and service provider. We specialise in Carbon Steel, Alloy Steel, Stainless Steel & Aluminium fabrication and turnkey projects for some of the largest, prestigious oil & gas corporations in the Middle East & North African region. Headquarters based in Dubai, UAE we have manufacturing facilities in Dubai & Muscat (Oman). We have over a decade of experience and a highly specialised team of Engineers, skilled fabricators, qualified welders & painters. In 2016, we marked a turning point in our operations by increasing our resources and streamlining manufacturing processes to provide a broad range of services to our clientele.

ABOUT US

Our commitment to quality products and services helped us stand out in a highly competitive market. Our facility in Dubai Investment Park is equipped with sophisticated modern machinery and equipment operated by a team of talented engineers, technicians and fabricators. We are capable of designing and producing a wide range of products, customized solutions, following customer safety and design requirements and specifications. The size of our facility enables us to work on highly demanding large projects. We pride ourselves in not only the products and services we offer but in our highly professional business standards to always deliver projects on time.

BUSINESS DIVISION

- ❖ We Design, Manufacture And Market Wide Range Of Custom-made Commercial Vehicle Bodies And Steel Superstructures Catering To Construction, Transport, Logistics, Storage, Oil & Gas Industry.
- ❖ Our Products Include Fuel Tankers, Vacuum Tankers, Water Tankers, Flat Bed Semi-trailers, Low Bed Semi-trailers, Bus Bodies, Curtain Side Semi Trailers, Insulated Panel Semi-trailers, Fuel Storage Tanks...and Many More. We Also Install And Service Mobile Cranes And Aerial Platforms.

“CAPITAL OIL AND GAS INDUSTRIES LLC”

CAPITAL OIL AND GAS INDUSTRIES LLC (COG) Corporate Office Based In Dubai Industrial City (DIC)- Dubai, U.A.E.

Capital Oil And Gas Industries LLC Is Part Of CMC Group, Which Was Established In 2003.

In the Year 2021 COG Diverged Into An Independent Business Division To Spearhead The Rising Demand For Construction Projects For Oil & Gas, Refinery, And Energy & Water Management Industries Within The UAE.

We Have Developed International Cutting-edge Technology Of Fabrication Facilities, Full-fledged Engineering, Procurement, QA/QC, And HSE Engineers And Technical Workforce organizations.

We Are A Growing And Preferred Vendor Of The Major Oil & Gas Field Industries And EPC Contracting Companies In The Middle East And Africa.

“Our Values Lead Us Forward...”

The success of Capital Manufacturing began as the dream of one man, our founder Mr. Shaji which turned into the dream of many...our respected Principals and our valued employees. Each one has contributed immensely to the growth of this company.

Recognizing the responsibility on the shoulders of each member, we endeavour to be one of the most competitive companies in the industry with emphasis on efficiency in operations, reliability for customers and thrust on growth, in all sectors of our diversified operations.

It is these values that broke new ground for us more than a decade ago. It is these values that power our present growth. And it is these values that speed our paths to the future...

Our motto – Let us move together...Let us progress.

Mission

1. To enhance our client's operations by providing high-quality end products and services;
2. To garner a relationship of mutual trust with our clients through transparency and honesty;
3. To establish long-term partnerships rather than one-time transactions with our customers.

Values

Our values define who we are as a company and determine how we treat our employees, clients, and partners.

We take pride in our:
Integrity • Precision • Dedication • Transparency

Executive Director

What we offer

We offer wide range solutions starting from Oil & Gas upstream/ downstream related products, pipeline/ fuel systems, Automotive Body Profiles, and Heavy Steel Structure. We competently help our clients to fulfil their business needs including consultation, design, development, testing, implementation, training and maintenance.

Custom Solutions

We offer our clients custom solutions specifically designed according to unique customer specifications/ requirements. Our Engineering Team work closely with clients to capture all the requirements and expectations to ultimately offer optimised solutions to problems.

Our Skills

Lead by engineers with over 100+ years of cumulative experience in the Oil & Gas and heavy steel structure manufacturing sectors, we pride ourselves in the competency of our employees and their qualities, and experience in consultation, design, development, testing, implementation, training, and maintenance activities.

What counts as CAPITAL's strengths are a combination of talented people, product development to meet/ exceed end user requirements and productivity. Many of the key executives had long careers in this field, ensuring a level of continuity and familiarity with the markets that start-ups often don't enjoy.

We have key leadership & technical team members that have been in this business for an average of 20 years. They have a lot of great ideas that are brought to reality with utmost care under the leadership of our great founder. There is really an entrepreneurial spirit here right now.

Our Facility

Built-up Area	Office Space	Storage Area	Parking Space	Other Facilities
4,200 sq.m	600 sq.m	3,000 sq.m	3,000 sq.m	1,200 sq.m

Superior infrastructure allows us to handle major projects which comprise:

- CNC Plasma & Oxy-Fuel Profile Cutting Machine
- CNC Plate Shearing Machine
- CNC Press Brake
- Hydraulic Press Brake
- Hydraulic Shear
- Plate Rolling Machine
- Flanging Machine
- Lathe Machine
- Radial Drilling Machine
- Air Screw Compressor
- State-of-the-art Shot Blasting Facility
- Ultra-modern Painting Booth
- MIG Welding Machines (GMAW)
- Stick Electrode Welding Rectifiers (SMAW)
- Submerged Arc Welding Machine (SAW)
- TIG Welding Machines (GTAW)
- EOT Cranes
- Forklift Trailers/ Trucks.

Detailed technical specifications & general assembly drawings are available on request. Feel free to contact us or write us for your specific requirements. Our sales team shall contact you to serve you better.

Some of our prestigious clients are:

- ADNOC Distribution, Abu Dhabi, UAE.
- ENOC, Emirates National Oil Company, Dubai, UAE.
- SHELL Development, Oman
- DEWA
- Dubai Municipality
- MENA Energy (CAFU), Dubai, UAE.
- Saeed Mohammed Al Ghandi & Sons, Dubai, UAE
- United Al Saqer Group, Abu Dhabi, UAE
- Darwish Bin Ahmed & Sons Group, UAE
- Genavco/ Juma Al Majid Group, UAE
- Robt. Stone (ME) LLC, Abu Dhabi, UAE
